Your dedicated driver will ensure seamless transportation throughout the day, while your knowledgeable local guide will bring the region's fascinating history, culture, and winemaking traditions to life.

Steeped in history and tradition, Stellenbosch is celebrated for its world-class vineyards and exceptional wine heritage. The Stellenbosch Wine Route is widely regarded as South Africa's most prestigious, with the Stellenbosch Wine of Origin region encompassing more than 100 acclaimed wine estates and cellars. At the heart of the town lies the oak-lined Dorp Street, where beautifully preserved Cape Dutch architecture and historic buildings sit alongside the vibrant atmosphere of the university, creating a unique blend of heritage and contemporary South African life.

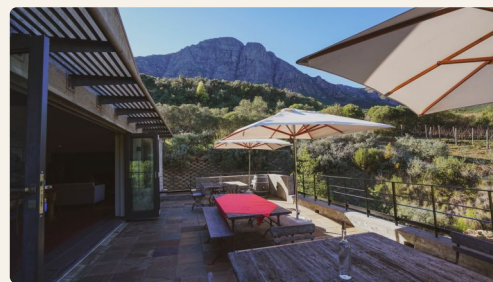

Wine tasting at Keermont Vineyards

Visit Keermont Vineyards for a wine tasting experience at one of Stellenbosch's most authentic boutique wineries. The estate is renowned for its handcrafted wines, personalised hospitality, and the distinctive terroir of the Upper Blaauwklippen Valley. You will be welcomed into the intimate tasting room overlooking the vineyards and surrounding mountains, where a knowledgeable host will guide you through a selection of estate-grown wines. As every wine is produced exclusively from grapes grown on the property, the tasting offers a unique opportunity to discover how the estate's diverse soils and elevations shape each wine's character.

Enjoy a Single Vineyard Series Tasting, showcasing individual vineyard sites and offering a deeper appreciation of the estate's unique terroir.

Icon Tour & Tasting at De Toren

Visit De Toren Private Cellar for the acclaimed Icon Tour & Tasting, one of Stellenbosch's premier luxury wine experiences. Designed for discerning wine enthusiasts, this immersive experience offers an in-depth introduction to one of South Africa's most celebrated producers of Bordeaux-style wines.

Your experience begins with a private guided tour led by a senior member of the De Toren team, providing exclusive insight into the estate's philosophy of precision viticulture and meticulous winemaking. You will explore the vineyards, cellar, and production facilities, learning how each vineyard block is managed individually and how De Toren crafts its internationally acclaimed blends through a combination of traditional techniques and modern innovation.

Following the tour, you will be invited into the elegant tasting lounge to enjoy a comprehensive tasting of all six wines in the De Toren portfolio. Each wine is presented with detailed explanations of its vineyard origin, varietal composition, ageing potential, and ideal food pairings, offering a fascinating insight into the craftsmanship behind every bottle.

Lunch at Jordan Restaurant

☒ 4-course lunch with wine, gratuity

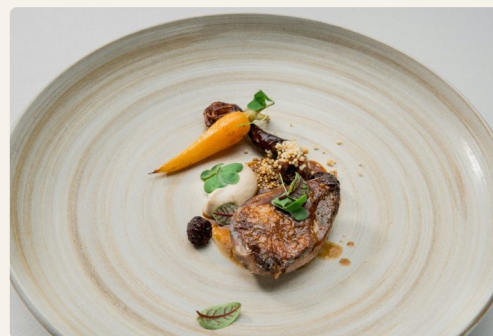

Enjoy a four-course lunch paired with wine at one of the Cape Winelands' premier dining destinations. Under the direction of Head Chef Marthinus Ferreira, you will experience a menu inspired by both South African flavours and international influences. Renowned for his innovative approach to gastronomy, Marthinus has worked alongside some of the world's most celebrated chefs, including Gordon Ramsay and Heston Blumenthal.

Dinner

This evening has been left at leisure, giving you the opportunity to enjoy dinner at one of the Winelands' outstanding restaurants.

We would be delighted to recommend a selection of exceptional local dining venues to suit your preferences and can arrange restaurant reservations on your behalf in advance for the group. Depending on your chosen restaurant and its location, private transfers can also be pre-arranged at an additional cost, or transportation can be requested through your hotel for your convenience.

 Private Tour of Franschhoek (full day) 09:00 - 18:00

Today, you will be met by your private driver-guide for a full-day discovering the charming village of Franschhoek, renowned as South Africa's culinary and wine capital. Surrounded by dramatic mountain scenery and vineyards, the day offers the perfect blend of exceptional wines, world-class gastronomy, and the region's rich French Huguenot heritage.

Throughout the day, enjoy curated experiences at some of Franschhoek's most acclaimed wine estates, along with time to soak up the village's elegant atmosphere, boutique galleries, and breathtaking landscapes.

 Visit and Tasting at Boekenhoutskloof

Enjoy one of the Cape Winelands most intimate and sought-after wine experiences at the renowned Boekenhoutskloof estate. Hosted by a member of the winemaking team, this exclusive small-group visit offers a behind-the-scenes tour of the working cellar, providing fascinating insight into the estate's history, philosophy, and meticulous approach to winemaking.

The experience culminates with a seated tasting of Boekenhoutskloof's flagship wines, showcasing the elegance and character that have earned the estate international acclaim.

Throughout the visit, you will gain a deeper understanding of the vineyard sources, terroir, and craftsmanship behind each wine in a relaxed and engaging setting.

 Single Terroir Tasting at The Wine Studio at Mullineux & Leeu Family Wine

Set within the elegant Wine Studio at Leeu Estates in Franschhoek, this immersive tasting experience takes place in a beautifully designed space created by acclaimed Spanish architect Tomeu Esteve, specifically crafted to enhance the appreciation of fine wine.

Discover Mullineux's acclaimed Single Terroir wines, a collection of limited-production Swartland wines made only in exceptional vintages that authentically express the character of a specific vineyard site. During the tasting, you will explore these distinctive wines while learning about the unique terroirs and winemaking philosophy behind each release.

As many of these highly sought-after wines sell out quickly, a small allocation is reserved exclusively for tasting throughout the year, offering a rare opportunity to experience them even after they are no longer commercially available.

You may also choose to join the allocation list for access to future releases.

Tasting lunch at Épice restaurant

Enjoy a memorable dining experience at Épice, an intimate fine dining restaurant located at Le Quartier Français in the heart of Franschhoek. Led by acclaimed chef Charné Sampson, the restaurant's signature Spice Journey tasting menu celebrates spices from around the world, using them to bring depth, fragrance and complexity to each dish rather than heat.

Inspired by the spice routes of India, North Africa, the Middle East, Asia and South Africa's Cape Malay heritage, this innovative culinary experience offers a refined exploration of flavour in an elegant and intimate setting.
