Bedecked carriages.

Step back in time to the glamorous 1920s, the era of luxury train travel, once onboard the famous vintage train stationed at London's Victoria station. Our beautiful wood-panelled carriages resplendent with art deco designs house our superbly set tables. Each setting is prepared with specially commissioned China, sparkling cut glassware and antiqued cutlery.

The Journey

During the festive season, the vintage carriages of our Belmond train are aptly transformed, capturing the wonderful spirit of Christmas. Lounge in restored comfort and enjoy a succulent meal with all the trimmings as the beautiful winter countryside passes you by. Whether a festive gift for someone special or simply a chance to spoil yourself, this wonderful train journey promises a day to remember.

Festive Setting

Jovial accessories, bespoke decorations and table settings designed for the holiday season, befitting the British Pullman's art deco heritage.

A champagne reception upon arrival sets the mood in addition to preparing the palate.
