The PGA Annual London Lunch with Ian Woosnam & Harry Redknapp

We're excited to unveil the line-up for this year's PGA Annual London Lunch, and it's set to be a cracker. We're thrilled to welcome Masters champion and Ryder Cup legend Ian Woosnam, football favourite and one of the game's greatest storytellers, Harry Redknapp, and the brilliant comedian, impressionist and social media star Conor Moore.

Ian Woosnam – One of the most accomplished golfers of the modern era. Winner of the 1991 Masters, a two-time European Tour Order of Merit champion and a 29-time European Tour winner, he spent 50 weeks as the world's number one ranked golfer. He was also a member of eight consecutive Ryder Cup teams before captaining Europe to victory in 2006.

Harry Redknapp – During a managerial career spanning more than 30 years, Harry became one of the most respected and recognisable figures in English football. Renowned for his humour and down-to-earth personality, he has also become a popular television figure and a hugely entertaining speaker, sharing hilarious stories and insights from a lifetime in the game.

Conor Moore – Irish comedian, impressionist and broadcaster, Conor Moore has become one of the most recognisable comedy talents around, building a huge global following on social media with his hilarious and uncanny impersonations of stars from football, golf and Formula One.

The event will be hosted by BBC golf broadcaster Iain Carter, guiding us through an afternoon of insight, humour, and celebration.

We anticipate this will be a hugely popular event and I do hope you'll consider joining us for what's going to be a fun afternoon in the festive season
